

Directions to Testing Site, Fisherman's Terminal

Location: Fisherman's Terminal

1900 West Nickerson Street, Suite 301, Seattle, WA 98119

Individuals Must...

✓ Check In on Time

We will try our best to accommodate individuals running late for their appointment, but there is no guarantee we will be able to perform your test if you are late.

✓ Wear a Face Mask

You must wear a mask for the entire duration of the testing appointment (also applies to all site visitors).

✓ Practice Social Distancing

Maintain 6ft of spacing from others at all times.

Directions to Site:

Please follow this [Google Maps link](#) to guide you to our testing location:

Continue to next page for further instructions.

We are inside Fisherman's Center

1. After turning at the stoplight onto 19th Ave W, head to the main parking lot and park near the Fisherman's Center Tower.
2. Look for the Fisherman's Center Tower (round building) to the right of Chinooks.
3. Enter the double doors at Fisherman's Center and take the stairs or elevator to the second floor and turn left.

Entrance

Continue to next page for further instructions.

Take a left outside of elevator

Directions Continued . . .

4. Discovery Health MD entrance is on the left down the hallway. You will see clearly marked signage.

5. Upon entering, **Check-in is the first office on the left after the map wall.**

Before your appointment ...

01. Be sure you have created an account in our client registration portal.

You will have been prompted to do so after scheduling your appointment. **You will use the DHMD Portal to receive your test results!**

02. Each individual in your group must be registered in the client portal, including children.

This will take time, so please do this before you arrive. Child usernames must be unique, but a parent/guardian email is accepted.

03. Write down and save your password(s) in a safe, memorable place.

Completing the registration process for yourself, and every other test recipient you've registered, will ensure a smooth and simple COVID-19 testing experience.
