

Directions to Testing Site, Hampton Inn + + +

Location: Hampton Inn Bellevue – Bellevue WA -11405 NE 2nd Place Bellevue, WA 98004

Individuals Must...

✓ Check in on time for their appointment

We will try our best to accommodate individuals running late for their appointment but there is no guarantee we will be able to test them

✓ Use the entrance facing 2nd Pl.

The door on the south parking lot is exit only and secured from the inside.

✓ Wear a face mask

Face masks are required for everyone, even those who have been vaccinated. Face masks must be worn for the entire duration of the testing appointment (also applies to all personnel visiting the test site)

✓ Present a state/ government issued ID

at the time of check in (listed start time)

✓ Practice safe social distancing

(6ft spacing) from others at all times

Directions to Test Site:

Please use this google map link to guide you to our testing location:

Continue to next page for further instructions.

There are two parking lot entrances:
one on 116th Ave and
one on 2nd Pl.

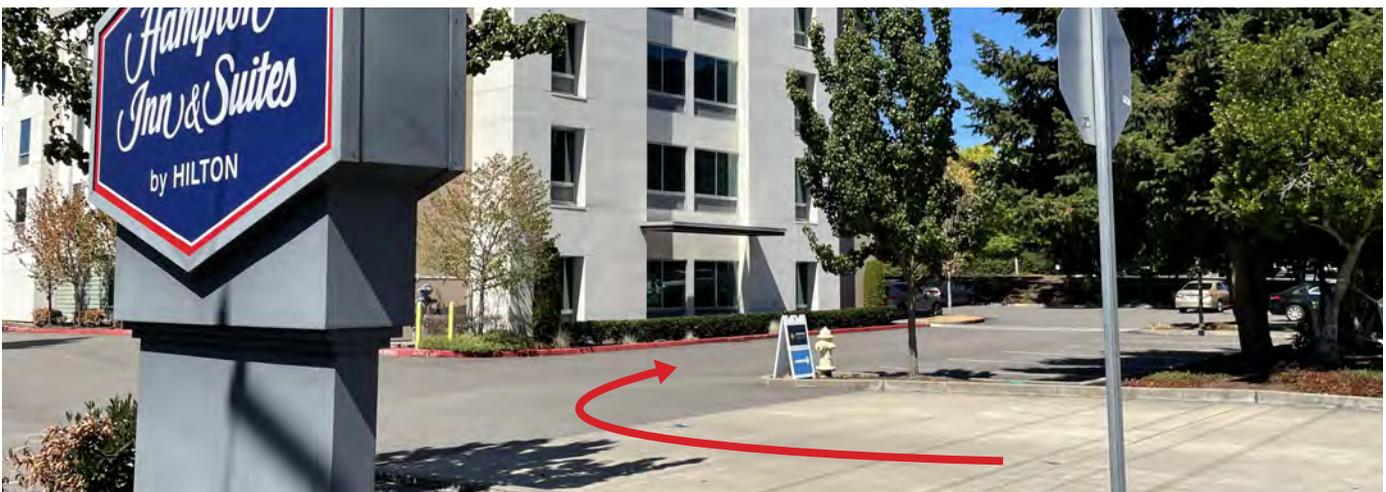

You may enter through either. Parking is free and located all around the building. The only hotel entrance is facing 2nd Pl.

from 116th Ave

If entering from 116th Ave: Take a right turn into the lot from 116th Ave, take an immediate right towards the hotel entrance located on the left.

from 2nd Pl

If entering from 2nd Pl: Take a left into the parking lot off of 2nd Pl, take an immediate left to the entrance of the hotel on your right.

Enter through the main entrance and walk past the check in desk at your right and towards the hallway to your left. Testing is in the Pike Place Room; the first door on the right in the hallway.

Before your appointment ...

01. Be sure you have created an account in our client registration portal.

You will have been prompted to do so after scheduling your appointment. **You will use the DHMD Portal to receive your test results!**

02. Each individual in your group must be registered in the client portal, including children.

This will take time, so please do this before you arrive. Child usernames must be unique, but a parent/guardian email is accepted.

03. Write down and save your password(s) in a safe, memorable place.

Completing the registration process for yourself, and every other test recipient you've registered, will ensure a smooth and simple COVID-19 testing experience.
