Entrance

**All parking is available.**

## Before your appointment ...

### 01. Be sure you have created an account in our client registration portal.

You will have been prompted to do so after scheduling your appointment. **You will use the DHMD Portal to receive your test results!**

### 02. Each individual in your group must be registered in the client portal, including children.

This will take time, so please do this before you arrive. Child usernames must be unique, but a parent/guardian email is accepted.

### 03. Write down and save your password(s) in a safe, memorable place.

Completing the registration process for yourself, and every other test recipient you've registered, will ensure a smooth and simple COVID-19 testing experience.
